**Texas Township Supervisors**

The Supervisors of Texas Township held their Bi-monthly meeting on November 3, 2014. Present were Supervisors Don Doney, Allan Wickle, Paul Sprague. Secretary Joann Hancock and Zoning Officer Jeffrey DeYoung. See attached list for guests present. The meeting was called to order at 7:30 P.M. by Chairman Doney.

The minutes of the previous meeting were read and on a motion by Supervisor Sprague and seconded by Supervisor Wickle the minutes were approved as read.

The secretary then presented outstanding invoices for the period and on a motion by Supervisor Wickle and seconded by Supervisor Sprague the bills were ordered paid.

Carol Santos thanked Zoning Office Jeff DeYoung for his help. She wanted to know the procedure for burning leaves. She was informed that anyone needs to call the COM center before and after the controlled burn and only Commercial Burns need to go through DEP. Carol also asked about the process for running for Texas Township Tax Collector. It would start at the court house and a petition of 10 to 15 names.

Ms. Anderson along with architect Tim Ackman spoke again about the steps necessary to begin working on a new building to house a shooting and archery range. Texas Township Solicitor Lee Krause was also in attendance. Ms. Anderson believes the new business proposal should be considered a Principal Use Permit, like a bowling alley or skating rink. Mr. Krause advised that this would not be a Principal Use but instead a Conditional Use Permit. Ms. Anderson also mentioned that they could maybe close the firing range to the public as entertainment and just use for training purposes for local law enforcement. Other thoughts mentioned was laser tag. Ms. Anderson will be in touch with the township after she talks with her council.
